Former
Spouse

MEMORANDUM FOR: See Distribution

FROM:

[Redacted]

Legislation Division, OGC

STAT

SUBJECT: SSCI Markup of S. 2422 - Senate Former Spouses
Legislation

1. We have been informed by the staff of the Senate Select Committee on Intelligence (SSCI) that the Committee has scheduled a public session to "mark up" S. 2422, the SSCI version of the former spouses legislation. This public session will be held on Thursday, June 17, 1982 at 10:00 a.m. in Room 4232, Dirksen Senate Office Building.

2. The staff has further informed us that the SSCI is leaning in favor of including in the Bill some sort of requirement for overseas service on the part of the non-employee spouse, as well as coverage of certain Agency employees who participate in the civil service retirement system.

3. As you know, the House version of the former spouses legislation is contained in Title VI of H.R. 6068, the Intelligence Authorization Bill for fiscal year 1983. We believe that the final form of the former spouses legislation will be arrived at during House-Senate conference on the authorization bill.
